@ 4-H State Camp...ANYTHING is POSSIBLE!

Youth ages 8-14 can make new friends, explore the world around them and learn that “I Can” is much more powerful than “I Can’t.” Youth learn real life skills, develop self-esteem, and gain a sense of independence & community.

All of the NC 4-H Camps are proud to be accredited by the American Camp Association (ACA), a national organization that sets high standards for the health and safety of campers and staff, as well as the delivery of quality programs.

For more information contact, Danelle Barco at 331-7630 or by email at danelle_barco@ncsu.edu.
