

## February Camden 4-H Newsletter

Join in on the excitement happening in 4-H this month with our Youth Explore programs, writing opportunities, and Achievement Night!

### Be sure to re-enroll in 4HOnline

Thank you to everyone that has taken the time to re-enroll in 4HOnline, our new enrollment system. This system is a valuable resource, making it easy to re-enroll each year, and also keep track of all of youth's 4-H work and achievements.

If your youth is participating in 4-H this year please take a few minutes to log into your account/create an account at [nc.4honline.com](http://nc.4honline.com) to be enrolled in 4-H for all of 2019! Enroll by midnight February 1st and be entered to win \$25 toward Camden 4-H programming in 2019!

## Importance of Learning to Try Again

We are focused on encouraging youth to explore lots of different projects and most importantly, try again when something does not work out. Our 4-H Youth Explore programs are great examples of this idea, as youth try to design and build for different challenges. Things often don't go as expected, so they learn to try and try again.

## Camden County Story Collection Project

Camden 4-H and the Camden County Library are joining together on this exciting project to get youth from across the county published! Any youth in Camden County can submit their story that includes the theme or topic of unity to [camdencountystories@gmail.com](mailto:camdencountystories@gmail.com), or drop it off at the Library. We will create a book from the collection of stories that will be shared with all participants at our May 14th celebration! A permanent copy will also live in the County Library.

Let's get published!

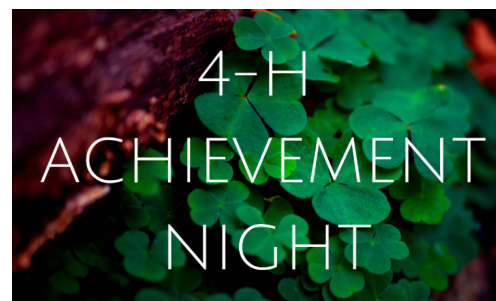

## 4-H School Enrichment

We are busy in 4-H working with school teachers and administration to bring lots of exciting, research-based curriculum into various classrooms. Over the coming months we will be helping to provide cooking classes, gardening curriculum, butterflies, writing information, and agriculture programs into schools.

We love supporting and enriching our great schools!

## Camden County 4-H Achievement Night

Join us on February 28th as we celebrate all of our 4-Hers success in 2018! We will be celebrating all project records turned in for 2018, number of years in 4-H, 4-H clubs and club achievements, and volunteers!

If you have been apart of 4-H in 2018 plan on joining us at 5:30 at the Camden Center for Active Adults.

More details will be forthcoming soon!

## Two State Camp Spots Left

We have only two spots for state 4-H, overnight summer camp left: one regular male spot, ages 8-12, and one adventure camper female spot, ages 13-14. If you have a child interested in going to camp that does not fit into those categories we are happy to add them to our waitlist.

Spots are going fast, and you have to place your deposit by February 28th to get \$100 off the cost of camp!

## Exploring Camden County 4-H Clubs

We have three fantastic clubs in Camden County that always welcome new members! They have a lot of exciting programs planned for this year so be sure to check out more information about each club or give a call to the office to learn more!

We have another club, the Camden Natural Resources Conservation Club, that is actively seeking membership to get started! Please email at [ali\\_huber@ncsu.edu](mailto:ali_huber@ncsu.edu) if you would like to join!
