4-H Presentations

Presentations are a great way for youth to develop skills in public speaking. They will also develop skills in research, self-motivation, and critical thinking. This is all while youth have fun delving into a topic they are passionate about!

We had 8 youth practice and show their presentations at County Activity Day on June 14th. We then had 6 youth present their presentations at District Activity Day at NCSU on June 22nd. They all did very well and brought home two gold medals and one silver medal.

Congratulations on all of their hard work! Sadie H. and Avery W. will be moving on to compete at State 4-H Presentations on July 20th!

Summer 4-H Successes

Read all about the fun we have been this summer in 4-H so far and all of the things that youth in our community have learned so far.

Dismal Swamp Adventures

We enjoyed two days at the Dismal Swamp State Park with Ranger Katie and Ranger Joe as youth learned all about fishing, canoeing, building camp fires, pitching tents, surviving in the woods, hiking, turtles, and snakes. They also completed a craft each afternoon before heading home!

Culinary Academy

Youth from Camden County joined youth from Currituck and Dare County for three days learning about food safety, knife skills, nutrition, spices, local food, and making delicious meals! The last day included a "Chopped" Challenge where youth worked in teams to make unique pizzas to be evaluated by a panel of judges.

County Activity Day

Eight youth in Camden County practiced and presented their presentations that they had worked to develop on a topic they

NC State University and N.C. A&T State University work in tandem, along with federal, state and local governments, to form a strategic partnership called N.C. Cooperative Extension.

Extension's 4-H program is the largest youth development organization in North Carolina. We help over 247,000 young people grow into active, contributing citizens each year.

NC State University and N.C. A&T State University commit themselves to positive action to secure equal opportunity regardless of race, color, national origin, religion, political beliefs, family and marital status, sex, age, veteran status, sexual identity, genetic information or disability. NC State, N.C. A&T, U.S. Department of Agriculture, and local governments cooperating.

Accommodation requests related to a disability should be made by 10 days before event to Ali Huber at 252-331-7630 or ali_huber@ncsu.edu.
