

CAMDEN EXTENSION CONNECTIONS

JULY 2020

Agriculture

DO NOT Plant Unsolicited Seeds Received in the Mail From China

Many people have received unsolicited packages from China labeled as containing earrings, but actually containing seeds. DO NOT plant these seeds. Read more: <https://camden.ces.ncsu.edu/2020/07/do-not-plant-unsolicited-seeds-received-in-the-mail-from-china-3/>

Family & Consumer Sciences

Wheat From Farm to Fork

Of the major crops grown annually in Camden County, wheat is the only crop we plant in one calendar year and harvest the next. For more wheat "fun facts" check out our Wheat Farm to Fork video. <https://camden.ces.ncsu.edu/2020/07/wheat-from-farm-to-fork/>

4-H Youth Development

Out of the Box Summer Fun!

2020 has certainly been a year of learning how to do things differently. We have been forced to "think outside the box" to create an exciting environment to explore and learn by doing! Find fun videos here: <https://camden.ces.ncsu.edu/2020/07/out-of-the-box-summer-fun/>

Terrific Tuesday's With Tyrone

If you have youth that are looking for fun activities to do while they are out of school for the summer, Camden County 4-H has some exciting news for you. Tyrone Dillard, Camden County 4-H Agent will be offering "Terrific Tuesdays with Tyrone."
